Honorable  
William Casey  
Director  
Central Intelligence Agency  
Washington, D. C. 20002

Dear Bill: 9 JUL 1984

Thank you for sending me a copy of your splendid speech  
entitled, "What we Face."

Our mutual friend, Clare Luce is coming to spend a couple  
of nights with us in July with her grand-daughter.

I thought the citation brilliant and well deserved and  
the speech timely and of great significance. More power  
to you.
